Want to have some value added fun at the Nationals ?

Then you should think about creating a team with your friends and their dogs and register to participate in the Team Event.

How does it work ?

Just make sure you enter these General entry runs at the Nationals;

**2 rounds of Tunnelers on Thursday
2 rounds of Jumpers on the Friday
2 rounds of Tunnelers on the Saturday
2 rounds of Hoopers on the Sunday**

Elect someone on your team to fill out an enquiry form (only one team member needs to do this). Here is the link to the form;

On the form state all 4 handlers names and all 4 dogs names. The person who filled submitted the form will be sent an invoice for \$26.00 being for the whole teams entry.

Dogs can be in different levels/divisions/categories but must be handled by the same handler for all 8 runs.

Scoring is on a time plus faults basis. Leaderboards will be posted daily. Team Uniforms are encouraged and cheering for your team mates also encouraged.
