Measuring will be available from 7:30 a.m.

The Judges Briefing will be at 8.00 a.m. Course walk through will commence after briefing. Judging will commence at 8.30am.

Dogs Jumping 16, 12, 8 or 4 inches and entered in Proficient category will be required to be measured prior to their first run unless they provide a photocopy of an official NADAC height card with the submission of their entry form. If you do not have a height card then a height card application form may be downloaded from the NADAC website. Please note that dogs jumping 20 inches are not required to be measured and dogs entered into Skilled Category also do not require measuring.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to www.NADACFORUM.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACFORUM.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

NON-JUMPING CLASSES—VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

SKILLED OR PROFICIENT?

In the **Proficient** category, you can still earn 5-point Qs if you have no more than 5 faults in a Regular run. This means you can knock one bar OR be up to 5 seconds over the standard course time and still earn a Q in the Regular Agility class only. If you run in the **Skilled** category, you can still earn 5-point Qs if you have no more than 5 faults in a Regular run. This means you can knock one bar OR be up to 5 seconds over standard course time and still earn a Q in the Regular Agility class only.

Another advantage of the **Skilled** category is your dog gets to run at a lower jump height. So if your dog normally jumps 20", when you enter skilled he will automatically jump 16", which is one jump height lower. In addition, he will be running as though he is a "true" 16" dog, so he'll get the longer course time allotted to medium dogs.

Jumping at the lower height in Skilled is a requirement. You may not be entered in skilled and jump your dog its normal Proficient Height.

The Skilled / Proficient choice applies to ALL classes, not just Regular. If choosing the lower jump height moves you from the medium to small dog group, you'll have more time in weavers too, even though there are no jumps!

You must choose a single category for the entire weekend, but you can run in Skilled in one trial and Proficient at another. Points earned in either category combine for Titles and awards at all levels (Novice, Open and Elite).

PLEASE NOTE THAT FOR PLACEMENTS, SKILLED AND PROFICIENT CATEGORIES ARE COMBINED (EG. A 16 INCH PROFICIENT DOG WILL BE PLACED WITH 16 SKILLED DOGS).

CLUB POLICIES

- All dogs must be on leash when not competing in the ring. Dogs may not be left tethered and unattended on Trial grounds
- Crating and Shade shelters are not permitted within close proximity of the ring (ie within 20 feet of the sides or the rear of the ring and should be at least 40 feet from the front of the ring.) This is to keep the Marshalling area clear and to provide teams competing with clear ring perimeters.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire an act of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- **Cheques not honoured by the bank do not constitute a valid entry fee. There will be a \$25 service charge for bank returned cheques.**
- A class running order will be posted on a whiteboard ringside, this will tell you the running order for the days classes and the jump height run order in classes with jumps. There will be no posted exhibitor run order, exhibitors are invited to line up as they wish within their jump heights (for classes with jumps). There will also not be a gate marshal calling you to the ring so you will need to be attentive to what is happening within the ring so as not to miss your jump height. There will be a catalogue of entries available ringside if you have forgotten what you have entered.
- Handlers are responsible for ensuring that they are ringside and ready to run their dog at an appropriate time.
- No Alcoholic Beverages are allowed on the show site.
- There will be no refunds for entries in the event a dog and/or handler are dismissed from competition regardless of the reason for such dismissal.
- A withdrawal from the competition after the closing date due to an injury and/or illness of the dog and/or a bitch coming into season after the closing date will be eligible for a refund up to 75% of the total entry fee paid. A veterinarian's notice of injury or illness will be required for a refund.

- Dog Treats/Ribbons will be awarded to first through fourth places in all jump heights in all classes. Dog Treats/Ribbons will be awarded for those achieving a qualifying score.
- There will be special sashes awarded to the Action Dogs' members achieving a qualifying score in key classes to be announced at Club and at the Trial.
- Highest in Trial will be Awarded for Novice, Open and Elite levels in both Standard and Veterans divisions. These awards will be presented at the completion of the trial. Highest in Trial is based on results over the whole trial.

- All exhibitors agree to assist with the running of the trial. A Job Roster will be posted on the running order board. If exhibitors come out and help set jump heights and be prompt and reliable when presenting for their rostered jobs then the trial will run quite efficiently. If no one helps then as main workers get tired, the trial will run late and slow. We appreciate your help and thank you in advance.
- Having fun and displaying good sportsmanship is wholeheartedly encouraged.

CONTAINERIZED TREATS POLICY

This trial is a “Containerised” NADAC Trial. Treats may be carried on your person in the ring according to the following guidelines. Treats in crating areas must be in secure containers. No treats may be left on the ground outside the ring. Unattended treats will be disposed of by trial officials.

1. The food/small toy must be carried in an appropriately sealed container such as a pill bottle with a screw top lid or a very small zip lock bag. If you are unsure about the appropriateness of your container please show the container to either the Judge or trial secretary on trial day (prior to the trial commencing).
2. The food/small toy may not be visible within 10 feet of the ring (i.e. as per current NADAC guidelines).
3. The food/small toy may not be visible during your run with your dog.
4. You may not “indicate” to your dog during the run that you have food/small toy on your person.
5. The Judge, other exhibitors or passing dogs should not be able to tell whether an exhibitor is carrying food/small toy on their person.
6. The handler is permitted to remove the food/small toy and reward their dog once they are at least 10 feet from the exit of the ring.
7. Toys used must be small enough to be carried in the same “invisible” manner as the food and must be inside a zipped bag or container.
8. Toys must not be of an audible nature (i.e. squeaker toys or noise making toys)
9. At all trials food may not be carried loose in pockets or left outside the ring or at crating areas unless the food is securely contained (ie Tupperware containers, zip lock bags etc...). An open treat pouch which can be spilled or raided by another dog is not an appropriate container.

It is hoped that allowing handlers the opportunity to carry food/small toy “on” their person the following will benefits will occur:

1. Handlers will not have to return back to the ring entrance area where they left their dogs reward to retrieve it.
2. The risk of other dogs eating/raiding other treats will be lessened.
3. Handlers will not exit the ring and run recklessly through other people and dogs to get to their crating area and their treats quickly.
4. Handlers will be able to reward their dog shortly after exiting the ring.

CATERING

There is a small shop with snacks, lunch items and drinks that is usually open on Saturdays.

EQUIPMENT

We’ll be running on rubber-surfaced contact equipment.

TRIAL SITE
