NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the [www.NADACForum.com](http://www.NADACForum.com) within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results and check that your registration number and qualifying points, as reported by the club are correct. You can join the Forum by going to [www.NADACForum.com](http://www.NADACForum.com) and submitting your request. If you find an error in the reporting of your dogs qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels:** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

**CLUB POLICIES**

- All dogs must be on leash when not competing in the ring. Dogs may not be left tethered and unattended on trial grounds.
- Crating and shade shelters are not permitted within close proximity of the ring (i.e. within 20 feet of the sides or the rear of the ring and should be at least 40 feet from the front of the ring). This is to keep the Marshalling area clear and to provide teams competing with clear ring perimeters.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, an act of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- A class running order will be posted on a whiteboard ringside. There will be a posted exhibitor run order. There will not be a Gate Marshall calling you to the ring, so you will need to be attentive to what is happening within the ring so as not to miss your jump height. There will be a catalogue of entries available ringside if you have forgotten what you have entered.
- Handlers are responsible for ensuring that they are ringside and ready to run their dog at an appropriate time.
- The club reserves the right to change the running order on the day upon consultation with the Judge and Trial Secretary.
- No Alcoholic Beverages are allowed on the show site.
- There will be no refunds for entries in the event a dog and/or handler are dismissed from competition regardless of the reason for such dismissal.
- A withdrawal from the competition after the closing date due to an injury and/or illness of the dog and/or a bitch coming into season after the closing date will be eligible for a refund

up to 75% of the total entry fee paid. A veterinarian's notice of injury or illness will be required for a refund.

- Dog Treats/Ribbons will be awarded to first through to fourth places
- Dog Treats/Ribbons will be awarded for those achieving a qualifying score.
- Highest in Trial will be awarded for all levels.
- All exhibitors upon entering agree to assist with the running of the trial. A job roster will be posted on the running order board. If exhibitors help set courses, set jump heights and are prompt and reliable when presenting for their rostered jobs, then the trial will run quite efficiently. If no one helps and the main workers get tired, the trial will run late and slow. We appreciate your help and thank you in advance.
- All Agility Dog Club of Victoria trials are containerized trials – please refer to the exhibitor handbook/website/forums for information on what a containerized trial is.
- Having fun and displaying good sportsmanship is wholeheartedly encouraged.
