## **Club Policies**

All dogs must be on leash when not competing in the ring. Dogs may not be left tethered and unattended on trial grounds.

Crating and shade shelters are not permitted within close proximity of the ring (i.e. within 20 feet of the sides or rear of the ring and should be at least 40 feet from the front of the ring). This is to keep Marshaling area clear and to provide teams competing with clear ring perimeters.

A class running order will be posted in a folder on a table ringside. There will not be a Gate Marshall calling you to the ring, so you will need to be attentive to what is happening within the ring so as not to miss your jump height. Handlers are responsible for ensuring that they are ringside and ready to run their dog at the appropriate time.

The club reserves the right to change the running order on the day upon consultation with the Judge and Trial Secretary.

No alcoholic beverages are allowed on the show site.

All Altona Civic Obedience Dog Club of Victoria NADAC trials are containerized trials – please refer to the exhibitor handbook/website/forums for information on what is a containerized trial.

Having fun and displaying good sportsmanship is wholeheartedly encouraged.
